PPCA RELEASES 2010 MOST PLAYED ARTIST & RECORDING REPORTS*

PPCA is delighted to announce that Australian artists have once again featured heavily in PPCA's annual Most Played Artist and Recording Reports, with our very own Guy Sebastian taking out the Most Played Recording for 2010 with his hit single 'Like It Like That'.

US artist P!nk's popularity amongst Australian listeners shows no sign of declining, as the US singer topped the annual Most Played Artist Report for the fourth consecutive year, edging out pop-starlet Lady Gaga who came in at number two, while the Black Eyed Peas returned to the top 50 in 2010 at number three, after missing out in 2009.

Five of the top twelve Most Played artists in 2010 were Australian, with favourite sons Powderfinger leading the charge at number six and rockers Jet at number seven, while Guy Sebastian and Vanessa Amorosi made triumphant returns to the Most Played Artists list for 2010 at number 10 and 11 respectively.

Three Australian acts featured in the top five of the Most Played Recording Report, with Guy Sebastian at number one with his track 'Like It Like That', Jet at number four with 'She's a Genius' and Vanessa Amorosi rounding out the top five with her track 'This Is Who I Am'.

US act Owl City came in at number two on the annual report with their track 'Fireflies', while The Black Eyed Peas feel-good hit 'I Gotta Feeling' took out third spot on the Top 100 Most Played Recordings.

CEO of PPCA Dan Rosen, said it was encouraging to see so many Australian artists featured in the reports for 2010.

"It's fantastic to see such a large number of new and established Australian acts feature in both the Most Played Artist and Recording Reports. It's a credit to all of the artists hard work and a wonderful showcase of the quality of music currently coming out of the Australian music scene", said Rosen.

“PPCA was pleased to complete its 2009/10 distribution just prior to Christmas, distributing a record amount of \$20 million to its stakeholder artists and labels. We will continue in 2011 to make sure artists are fairly rewarded for their work”, he added.

PPCA Chairman George Ash took the opportunity to congratulate Australian artists on their success in 2010, saying

“PPCA is proud to continue supporting Australian music, by working to ensure Australian acts are properly remunerated for the use of their valuable recordings. On behalf of everyone here at PPCA I would like to congratulate all of the Australian artists who feature in the 2010 Most Played Artist and Recording Reports”.

***Please note that these reports are calculated by collating the titles that appear in the PPCA radio broadcast logs during the period July to June each year**
